

[SUBJECT: April 5, 2021, Upcoming TELPAS Alternate Activities]

To the ESC and District Testing Coordinator Addressed:

This communication is to inform you of the following upcoming activities for the 2021 Texas English Language Proficiency Assessment System (TELPAS) Alternate administration.

TELPAS Alternate Observable Behaviors Classroom Examples Survey

TEA would like feedback on how test administrators use the observable behaviors classroom examples during the school year and during the TELPAS Alternate assessment window. This feedback is an essential element in developing improvements to resources that test administrators may use when assessing students.

The survey should take no more than 10 minutes to complete. District testing coordinators are asked to share the [survey link](#) with all TELPAS Alternate test administrators. Participation in the survey is voluntary. Surveys should be completed by **April 19, 2021**.
