

[SUBJECT: July 17, 2020, TELPAS Reports]

To the Superintendent, District Testing Coordinator, ESC Director, and ESC Testing Coordinator Addressed:

This communication is to inform you of the following upcoming activities for the 2020 Texas English Language Proficiency Assessment System (TELPAS) administration.

2020 TELPAS ADMINISTRATION

- Standard Reports

TELPAS Report Cards, rosters, summary reports, and data files for the 2020 administration have been posted to the [STAAR Alternate 2, TELPAS, and TELPAS Alternate Assessment Management System](#). The files can be accessed under *Reports > Published Reports* via the 2020 TELPAS administration.

Printed copies of the TELPAS Report Cards and confidential student labels for all students tested and any additional copies requested are currently being held due to the number of districts closed and unable to receive shipments. Printed reports will be shipped for delivery with new due-in-district dates of **August 10–14, 2020**. If your district is not able to receive the shipments during the new dates, please contact the Customer Service Center by **August 3, 2020**.

- Item Analysis Reports

Individual Student Item Analysis Reports and Item Analysis Summary Reports for the 2020 TELPAS administration will be available at the campus, district, and region levels. These reports will be provided as PDFs in the Assessment Management System.

- Preliminary Region Reports

Preliminary region reports and student-level data files for the 2020 TELPAS administration have been posted to the Assessment Management System. The files can be accessed under *Reports > Published Reports* via the 2020 TELPAS administration.

- Reminder—Score Code Changes

TELPAS score code changes must be submitted by **July 24, 2020**, to be included in the statewide data file used for state or federal reporting. Districts can continue to make score code changes after July 24 and will be able to view updated data files in the Assessment Management System, but these changes will not be reflected in the final statewide data file.
