

[SUBJECT: February 24, 2020, Upcoming STAAR Alternate 2 and TELPAS Activities]

To the District and ESC Testing Coordinator Addressed:

This communication is to inform you of the following upcoming activities for the 2020 State of Texas Assessments of Academic Readiness (STAAR®) Alternate 2 and Texas English Language Proficiency Assessment System (TELPAS) administrations.

STAAR ALTERNATE 2 ADMINISTRATION

- Test Materials

Districts that registered students for the 2020 STAAR Alternate 2 administration during the registration window will receive shipments of test materials by **March 6, 2020**.

Districts that did not register students but have students who will participate in this administration must submit an order for additional materials and register the students.

- Additional Material Orders

If your district did not receive sufficient materials for the 2020 STAAR Alternate 2 administration, you can submit additional orders **March 9–April 10** via the STAAR Alternate 2 Assessment Management System at <https://tx.pearsonaccessnext.com>. A student registration must also be submitted, either by importing a student registration file or by manually registering the student. Additional orders without a student registration will not be approved.
