

Spring 2020 Standard and Additional Reports

Standard reports will be provided free of charge to all school districts. Standard reports showing student performance on the Texas English Language Proficiency Assessment System (TELPAS) assessments are as follows.

1 TELPAS Report Card	<p>The TELPAS report card is provided for each student for whom a TELPAS record was submitted. This report indicates the student's English language proficiency ratings for the four language areas assessed. Information on this report is provided in both English and Spanish. Report cards will be available in the TELPAS Assessment Management System. One printed copy of the TELPAS Report Card will be provided to districts. Districts may opt out of receiving the paper copy of the TELPAS Report Card.</p>
2 Confidential Student Label	<p>An adhesive Confidential Student label is provided for each student for whom a TELPAS record is submitted. Assessment results are shown for each subject assessed. Districts may opt out of receiving the Confidential Student Label.</p>
3 Confidential Campus Roster – All Students	<p>A Confidential Campus Roster (All Students) is available for each grade/domain assessed at each campus and lists every student for whom a TELPAS record was submitted. This report provides detailed student-level results for each domain area assessed.</p>
4 Campus and District Summary Reports	<p>The Summary Report is available for each grade/domain assessed at each campus and district and contains aggregate information about every student for whom a TELPAS record was submitted. These reports describe summary results of the performance of each demographic and group assessed.</p>
5 Administration Student Data File (Confidential)	<p>This file contains individual data records for each student for whom a test was submitted. The student record includes identification and demographic data as well as scores for each domain tested. Reporting Category data are included. This file will be provided to all districts in fixed-length text format.</p>
