

Spring 2021 Standard and Additional Reports

Standard reports will be provided free of charge to all school districts. Reports showing student performance on the Texas English Language Proficiency Assessment System (TELPAS) Alternate assessments are as follows.

<p>1 TELPAS Alternate Report Card</p>	<p>The TELPAS Alternate Report Card is provided for each student for whom a TELPAS Alternate record is submitted. This report indicates the student's English language proficiency ratings for the four language areas assessed. Information on this report is provided in both English and Spanish. TELPAS Alternate Report Cards will be available online in the State of Texas Assessments of Academic Readiness (STAAR®) Alternate 2, TELPAS, and TELPAS Alternate Assessment Management System. Beginning in spring 2021, districts will NOT receive a printed copy of TELPAS Alternate Report Cards unless they opt in to receiving a paper copy during the window noted in the Assessment Management System.</p>
<p>2 Confidential Student Label</p>	<p>An adhesive Confidential Student Label is provided for each student for whom a TELPAS Alternate record is submitted. Assessment results are shown for each domain. Districts may opt out of receiving the Confidential Student Label.</p>
<p>3 Confidential Campus Roster—All Students</p>	<p>A Confidential Campus Roster—All Students is available for each grade assessed at each campus and lists every student for whom a TELPAS Alternate record is submitted. This report provides detailed student-level results for each domain assessed and a composite rating.</p>
<p>4 Campus and District Summary Reports</p>	<p>The Summary Report is available for each grade/domain assessed at each campus and district and contains aggregate information about every student for whom a TELPAS Alternate record is submitted. These reports describe summary results of the performance of each demographic and group assessed.</p>
<p>5 Administration Student Data File (Confidential)</p>	<p>This file contains individual data records for each student for whom a test is submitted. The student record includes identification and demographic data as well as scores for each domain tested. Reporting Category data are included. This file will be provided to all districts in fixed-length text format.</p>
