

Spring 2021 Standard and Additional Reports

Standard reports will be provided free of charge to all school districts. Reports showing student performance on the Texas English Language Proficiency Assessment System (TELPAS) assessments are as follows.

1 TELPAS Report Card	The TELPAS Report Card is provided for each student for whom a TELPAS record is submitted. This report indicates the student's English language proficiency ratings for the four language areas assessed. Information on this report is provided in both English and Spanish. TELPAS Report Cards will be available online in the State of Texas Assessments of Academic Readiness (STAAR®) Alternate 2, TELPAS, and TELPAS Alternate Assessment Management System. Beginning in spring 2021, districts will NOT receive a printed copy of TELPAS Report Cards unless they opt in to receiving a paper copy during the window noted in the Assessment Management System.
2 Confidential Student Label	An adhesive Confidential Student Label is provided for each student for whom a TELPAS record is submitted. Assessment results are shown for each subject assessed. Districts may opt out of receiving the Confidential Student Label.
3 Confidential Campus Roster—All Students	A Confidential Campus Roster—All Students is available for each grade assessed at each campus and lists every student for whom a TELPAS record is submitted. This report provides detailed student-level results for each domain assessed and a composite rating.
4 Campus and District Summary Reports	The Summary Report is available for each grade/domain assessed at each campus and district and contains aggregate information about every student for whom a TELPAS record is submitted. These reports describe summary results of the performance of each demographic and group assessed.
5 Administration Student Data File (Confidential)	This file contains individual data records for each student for whom a test is submitted. The student record includes identification and demographic data as well as scores for each domain tested. Reporting Category data are included. This file will be provided to all districts in fixed-length text format.
