

To produce rulers that are consistent with those printed on the state-supplied mathematics reference materials, follow these steps:

1. Set the print menu to print the pages at 100% by selecting "None" under the Page Scaling option.
2. Print on paper that is wider than 8 ½ inches, such as 11 by 17 inch paper.
3. Trim the paper to 8 ½ by 11 inches so that the rulers will be on the edge of the paper.
